EXECUTIVE SESSION—Planning the coming Chuck Wagon dinner and dance scheduled for October 10 are, left to right, Ray Quigley, commissioner of assemblies, Marilyn Larzelere, social chairman, and Bob Merker, sophomore class prexy. —El Don photo

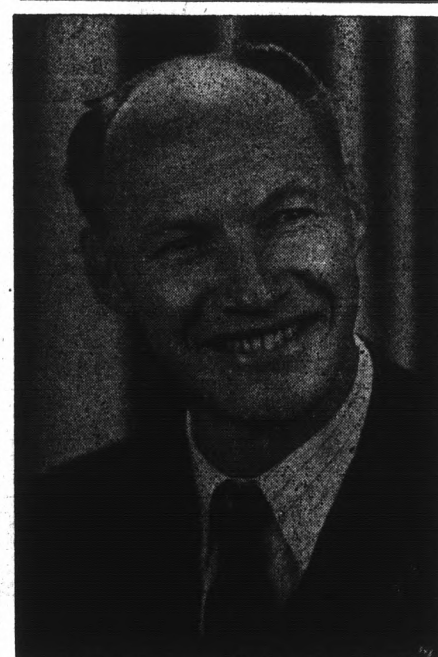

CHUCK WAGON SUPPER PLANNED; PEP RALLY, DANCE TO FOLLOW

The Santa Ana college baseball field will be the scene of much activity and fun, on the evening of October 10, when the Associated students will hold their annual Chuck wagon dinner.

The dinner will be served by the Future Farmers of America at 7:00 and will be free to all student body ticketholders. Those who do not have student body cards must pay the required 75 cents.

Following the dinner, there will be a pep rally, which will be planned by the yell leaders. The rally is scheduled to begin at 8:00.

The evening will conclude with a dance, in the cafeteria, at 8:30. The theme, of the dance, will be "Sagebrush Shuffle" and the music will be provided by the "Debonnaire" band. The Women's Athletic Association will be responsible for the decorations, at the dance. The dance will cost 30 cents for those with student body cards and 60 cents without.

Dr. Daniel C. MacNaughton

Auto Trades Program Revised

A revision of their Trades and Industries program with the Automotive trades department, the SAC Evening Division in conjunction with the day school made four definite steps toward its expansion.

One, the Automotive Trades have been separated from the metal trades division; two all automotive equipment has been moved to the newly constructed quonset; three, new equipment has been purchased; and four, two new instructors will teach both day and evening classes and use the same facilities.

Engine overhauling, automotive machining, and body and fender repairing will be located in Building Y, while welding and other metal-trades will be in Building T.

Glenn Larsen will teach automotive machine shop, while George Sweeney will instruct the welding classes.

These vocational classes, now handling over forty students, are heavily drawn upon by Orange County employers for use in industry as soon as they are qualified.

College Director Elected Eastern Conference Head

Santa Ana College director Daniel G. McNaughton was last week elected president of the Eastern Conference Administrators Association at a special meeting in Ontario.

Dr. McNaughton will fill out the unexpired term left by the resignation of Dr. John Lounsberry of San Bernardino. The resignation was a result of the Eastern Conference ruling on out-of-state athletes, with Dr. Lounsberry resigning to "better represent the interests of San Bernardino" in conference discussions.

The Association, composed of directors and deans of men of the seven colleges in the Eastern Conference, decides on mutual policies pertaining to junior college curriculum. Immediate problems are centered around the athletic eligibility question.

The election of Dr. McNaughton to the administrator's association gives Santa Ana, the college with the smallest enrollment, undisputed leadership in formulating conference policy.

Educators, Legislators Meet

THERMOSTAT, NOT THERMOMETER SAYS DILWORTH; DUBRIDGE, WATSON ALSO SPEAK AT CONFERENCE

By ROBERT HICKS

"I want to be a thermostat and not a thermometer. A thermostat turns on the heat when it's needed, while a thermometer reacts only to pressure." These were the words of state Senator Nelson Dilworth of Riverside at the recent Trustees-Administrators workshop and institute held on the SAC campus.

Senator Speaks

The senator, along with Dr. Lee Dubridge, Clyde Watson and other prominent government and educational leaders spoke at the meeting to discuss vital and controversial issues confronting public education administrators.

Senator Dilworth went on to say he felt that Communist party members holding teachers' jobs were a real menace to the security of the United States both now and in the future. The main issues of his speech were the crucial problems in public education facing the 1953 state legislature.

Dr. Lee DuBridge, physicist and President of the California Institute of Technology followed the senator and spoke on the place of education in the American scene.

Dr. DuBridge said he felt that those young people of higher intelligence and capabilities should be urged by both parents and

public to go on to college. "Our country needs men with special skills in industry and professions," he told his audience.

Work Shops Formed

In the afternoon, Senator Dilworth addressed the workshop attempting to solve the problems of adult education. The Senator stated he believed adult education had proved its worth, but that basic courses could and should be standardized. Pointed questions about recent unfavorable publicity concerning "frivolities" in the adult education program in California were directed at the discussion panel.

Ag Student Wins Fair Sweepstakes

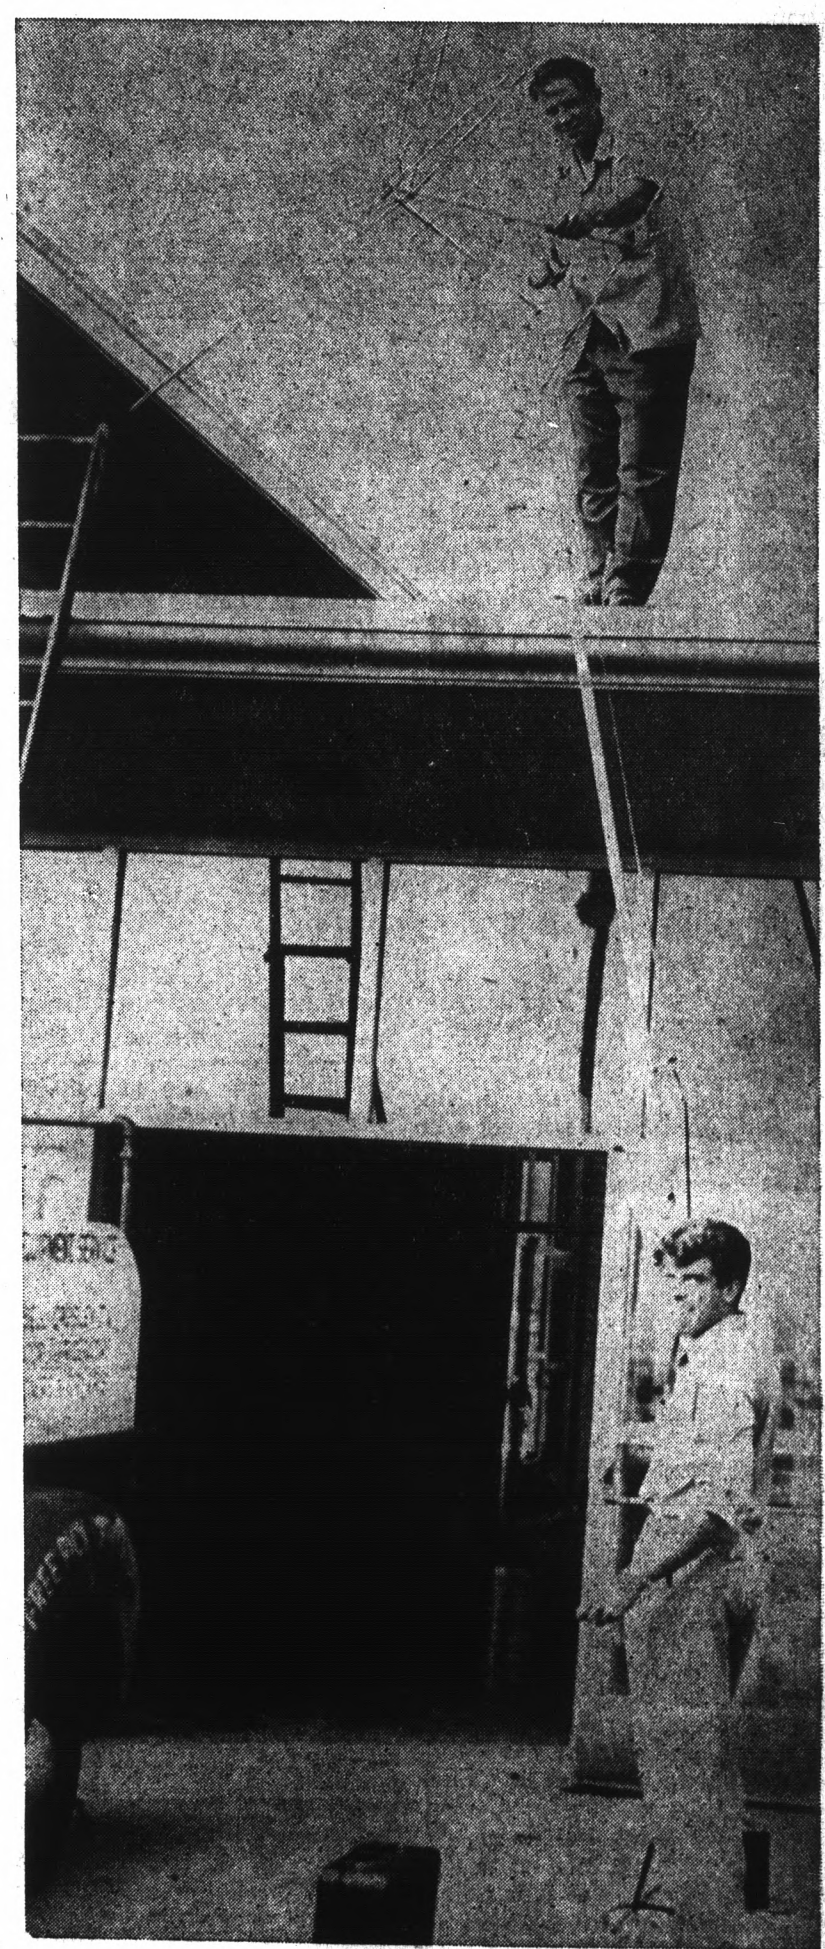

Dairy products sweepstakes winner at the Los Angeles County Fair was Hubert Hicks, Santa Ana College agriculture major. Hicks was presented the award September 20, at the fair grounds.

Consistently higher than his competitors from various junior colleges in southern California, Hicks stayed ahead of better than 25 other contestants all through the contest.

To be judged were a variety of dairy products including ice cream, butter, cheese and milk. All criticisms of the samples of the products were based on taste, and aroma.

Bob Wiseman and Paul Deschler, both of Santa Ana, attended the fair, along with Hicks. Wiseman was awarded a second place ribbon in the milk judging part of the show.

An annual event, the Dairy Products Contest is sponsored at the L. A. County Fair by the National Dairy Council. Presentations of the awards this year were made by Dick Cronchie, president of the National Dairy Council.

WORLD SERIES ON TV—Installing TV antenna are Buel W. Dunham and Clair Hoyle of the Reliance Home Appliance Company who lent SAC the 24-inch Packard Bell television set. Students are watching the series on the set, placed in the cafeteria, during their spare time. —Photo by John Servis

ROLLINS APPOINTED SOPH SECRETARY

Norma Rollins was this week appointed secretary-treasurer of the sophomore class by the student executive board. She was selected to replace Loydean Parra who transferred out of SAC recently.

Norma Rollins was appointed because she was the runnerup in the original elections held last year.

NOTICE

Students who have lost or had their student body cards stolen will be required to pay \$1.50 in order to receive a duplicate. This was decided by the AS executive board at their last meeting. In addition the student will have to present a petition for a duplicate card to the board. The duplicate card will then be issued by the student business manager.

EDITORIAL

Student behavior at recent Pep rallies have given rise to much criticism by various faculty members and certain AS officers.

During bad weather it becomes necessary to hold student Pep rallies in the cafeteria. Students not interested in student affairs enough to support their team by attending these rallies should have the mature consideration not to play ping-pong, sit in the lounge and talk or otherwise be so inconsiderate of students interested in the program while the rally is in progress in the adjoining room.

After all, these rallies are put on by student-elected officers for a student team. Students should do their best to support these functions by attending them or staying away from the area, instead of being obnoxious by their unattending presence in the union.

The student executive board could do away with a lot of the noise and disturbance by taking the ping-pong equipment and putting it out of the reach of immature college students without spirit, decency or good taste.

As advice to these students we suggest that they sit in on one of these programs—they might learn something.

'CLUE IN' TIME—Dorothy Conforth and Jim Prather give three SAC students the lowdown on the new coffee cup routine in the student union snack bar. —Photo by John Servis.

Good Food, Service Always On Tap At Student Union Snack Bar

By VALERIE McKEOWN

Coffee, sandwiches, used books, and congenial service are all part of the stock in trade of the ever-popular student union snack bar.

Open from 7:30 in the morning to 3:00 in the afternoon on week days, the snack bar is operated by Dorothy Conforth and two student helpers. They are Jim Prather, who works during the day, and Jack Wilcox, who operates it for the evening division students from 6:30 to 9:00.

Coffee Cups Next Week
A new innovation at the snack bar will begin next week with the replacement of the old six ounce paper coffee cups with eight ounce "Fireware" coffee cups. The cups came as a result of the student executive board appropriating 125 dollars for cups and bus trays to cut snack bar cost. With the new cups, Dorothy has asked everyone to co-operate by placing their cup in the trays provided for them at the exits to the snack bar.

In line with the addition of regular cups, the kitchen had to be redesigned to provide for dish-washing facilities. New counters, cupboards, and windows were also installed to improve the snack bar routine.

Serves Many Purposes

During the day, the snack bar serves all purposes as it is enjoyed as combination lunch room, social room, study, and lounge. Most popular merchandise sold includes sandwiches, pastries, juices, nuts, coffee, milk, and cold drinks.

Catching the eye of all is the radio snack bar, an electrical device that heats hot dogs in a matter of ten seconds.

New rooster's hats will be on sale in the near future, and the Santa Ana College decals are on sale as customary. A used book service is also provided for student convenience.

LATEST COLLEGE TV SHOWS, RECORD DATES CALL FASHIONS FEATURE WHEATLEY'S COLLEGE SWING CHOIR OF YWCA TEA

Latest in college fashions were previewed at the annual YWCA tea, held on the afternoon of September 24 at 2:30 p. m.

The tea was held in the College student union, where an atmosphere of autumn was effectively acquired with table decorations of fall leaves.

Guests were welcomed, upon their arrival, by Agnes Todd Miller, Dean of Women; Genevieve Humiston, advisor to the YWCA; Mrs. Daniel C. McNaughton, wife of the college director and Miss Norma Rollins.

Nancy Robison opened the program by announcing the models, Peggy Moore, Genevieve White, Janice Masters, Dian Frizbe and Eleanor Jackson, president of YWCA; as they appeared in fashions, varying from sports and school wear to the more dressy styles, in afternoon and evening wear. Carol Coad provided music for the show, and "Clifton's" furnished all the clothes featured.

The afternoon concluded with refreshments of punch and cookies.

Television shows, recording dates, and personal appearances are being planned by the SAC swing choir as part of their fall schedule, it was announced recently by choir director Gordon Wheatly. Composed of 16 members of the student body, the choir was active during the summer months with personal appearances and TV shows.

The group appeared with Peter Potter on the television show "Search for a Song," singing two original numbers. One composed by a former member of the choir and the other by a local Santa Ana. They were also seen on "Your Town's Talent" during the summer.

A recording date with Crystal records this week found the group recording two old favorites, "I Cried For You," and "Rain," and two new songs by Edna Ahbez, composer of "Nature Boy." They were "Garden of Eden" and "The Lord Has a Way."

The Santa Ana Teachers Association was entertained with popular songs by the choir at their meeting in the student lounge last Wednesday. Sunday they will appear at the Santa Ana Ebells Club singing "Rain," "I Cried For You," and "America the Beautiful."

Twice Monthly Shows

Mr. Wheatley also stated that

plans are under way for two monthly TV shows with Edna Ahbez.

Robbie Courchesne, Patty F. Valeria Stephenson, Shirley Brown, Marilyn Larzellre, Joy Allison, Lois Swift, and Ray Quiley are members of the group. Also included in the choir are Ken Wylie, Chuck Campbell, David Siden, Tom Moore, B. Moodie and Larry Anderton. Valeria Mae Harmer is arranger and accompanist for the Swing Choir.

EL DON MAILBAG

Dear Editor:

What's happening to the Student Union? Is it too much trouble to throw trash in the provided containers? Why isn't something being done to curb this problem?

Al Saperstein

Editor's note—That's right, why isn't it?

WCA Square Dance Scheduled October 8

Square dancing will be held in the YWCA gymnasium for the benefit of all SAC students and anyone else interested, it was announced today by Dian Frisby, member of the SAC campus WCA.

The dances will start on October 8 and will be held every Wednesday night. Admission to the dance will be twenty-five cents per person. This will be used to purchase refreshments following the dance. Says Miss Frisby, "Everyone is out and attend, for even if you can't dance, you'll get plenty of exercise."

AC Business Instructor Takes Leave of Absence

Business instructor Harry Jackson is on a leave of absence for the fall semester, during which he intends to travel to the Orient. From the Orient, Jackson will either journey on to India and thence around the rest of the world, or he will swing south to visit the Dutch East Indies. At present he is not certain which will be his ultimate choice.

Jackson plans to leave on his trip in the middle of October, and to be gone for two months, turning in time to resume his duties as business instructor here at Santa Ana College for the second semester.

College Alumnus Serves With US Army in Japan

Ex-SAC student Karl V. Bradley, Jr. is now serving with the Cavalry Division in Japan, according to a recent official Army news release.

Bradley, whose home is at 15062 Harbor Blvd. is training with his division on the barren, northern island of Hokkaido, less than four miles from Red-held territory. He entered the army in November, 1951.

New Tape Recorder To Help Students Catholic Students Invited To Join Newman Club

A new Echo tape recorder will soon be available in the library for use by foreign language students to augment their sessions in class. This will replace the Eicor recorder which disappeared mysteriously last year. According to Mr. O. Carl Schulz, German and French instructor at SAC, the new machine will be similar to the one used by Mr. Charles L. Ford in studio A, although a little smaller.

An invitation to join the Newman Club has been extended to all Catholic students by Miss Marie Pound, faculty advisor to the club. The first meeting of the Catholic student organization will be held at her home, 2102 Pointsettia, Santa Ana, October 8 at 8:00 p. m.

There will be an election of officers at this time and also a discussion of the plans for the coming year. An invitation has already been extended to the group to spend Christmas holidays at Big Bear.

John Kenny, Nancy Brock, and Mary Erdkamp, members of the club from last year, are helping Miss Pound in getting plans for this semester under way. Father Don Montrose will act as advisor to the club again this semester.

Inter-Club Council Meets Today To Plan Club Policies

The Inter-Club Council meets today to schedule the events for the coming semester. John Dowden, AS vice-president and head of the Council states that he hopes all clubs on campus will send a representative to the meeting so that they can be included in the Inter-Club Council activities.

The election of a secretary, the setting up of committees for the arrangement of a uniform policy to be carried on throughout the various clubs, and the setting up of rules to govern the student union are some of the issues to be decided upon.

It has been decided that the Council will take over the homecoming day activities. They will promote the half-time events at the SAC-Fullerton Turkey Day football game, make arrangements for the pep assembly, the dance following the game and the election of a queen for the day.

SYMPHONY ORCHESTRA COMBINES TALENTS OF SANTA ANA COLLEGE, HIGH SCHOOL BAND MUSICIANS

Don and Saint musicians will unite to form a sixty-five piece symphony orchestra, announced Douglas Lamont, director of the group. The uniting of the Don and Saint bands was the first in a series of new innovations intending to improve the group and give it depth. The new revisions were necessitated by the fact that last year the Don band was too small to form a symphony orchestra, as was the Saint band.

Three Instructors Added To Faculty

Mrs. Vivian Jorgensen, Laguna Beach, will spend the afternoons of the present semester teaching Home Economics and Food Preparation to the students of SAC.

A graduate of Union College, College View, Nebraska, Mrs. Jorgensen received her BS from the University of Minnesota and has done graduate work at the University of California.

Her mornings will be spent at Santa Ana High School where she will also offer courses in Home Economics.

Another new faculty member is Mr. George W. Sweeney of Santa Ana. Mr. Sweeney will instruct Metal Trades.

After graduation from Healds Engineering College in San Francisco, Mr. Sweeney journeyed to Chicago where he attended the American School of Aviation. He has also done graduate work at the University of California Extension Division at Alameda.

Mr. Glen Larson, Santa Ana, is another new member of the SAC faculty. Last year Mr. Larson conducted classes in the Evening School Division. He will instruct in Auto and Metal Trades. Mr. Larson has completed studies in both diesel and airplane maintenance.

Union of the two groups has produced a full sized symphony orchestra, able to do the more difficult symphony numbers.

To Write Original Music

Gregory Stone, motion picture composer and radio writer will write original music for the band as well as writing musical arrangements for the group. Adding to the program, Dian Cave, music major at SAC will do the Mendelssohn piano concerto with the orchestra.

With the new organization Mr. Lamont plans to give recitals and concerts as well as a series of broadcasts over KVOE, local radio station.

First Recital

The first recital will be held in the SAC student union October 29 and the first concert is scheduled for the high school auditorium November 21. The first broadcast is planned for November 20.

BACHELORS CLUB MAKES INITIATION DAY PLANS

SAC Bachelors' Club held its first meeting of the year on Wednesday, September 17th. Plans were discussed for the forthcoming "pledge day," and initiations for the club's pledges.

Election of officers was also held. Results: President, Bob Bjorkland; vice president, Alan Fisher; secretary, Don Hillman.

EASTERN CONFERENCE STUDENT LEADERS TO MEET HERE SOON

SAC will host delegates from all Eastern Conference colleges October 14 for the annual Eastern Conference Student Government Conference.

Approximately 135 delegates from the seven colleges will meet to discuss student problems, and make plans for future conferences.

The proposed agenda calls for two meetings of the general assembly, and twelve student workshops. That evening a dinner will be given in the cafeteria for the delegates. Dr. Daniel C. MacNaughton, SAC director and president of the Eastern Conference Administrators Association will speak to the delegations. Entertainment will be provided following the dinner by the swing choir.

Bob Elsner, SAC student body president will preside as president of the conference. John Dowden, AS vice president, will lead the SAC delegation. Members of the Don delegation will include Bob Silvers, Nancy Robison, Ray Quigley, Marilyn Larzelere, Bob Merker, George Bartell, Jerry May, Jeannine Oakes, and Bob Rechtwig.

SMITH SHAKES LOOSE—Bob Smith, pictured above, is shown eluding two would-be Pasadena City College tacklers on one of his long gainers. Dons won 21-13. —Photo by Ron Fellows

BULLDOGS SURPRISED BY SAC GRIDS 21 TO 13

Santa Ana College's Dons established themselves as possible Little Rose Bowl contenders last week, knocking Pasadena City College off the jaycee pigskin pedestal 21-13. Seven thousand fans turned out at the Municipal Bowl to witness the upset.

Pasadena, last year's national champions, spotted the Dons a two-touchdown lead and couldn't quite catch up.

SAC opened the scoring in the first quarter, Bob Smith passing twenty yards to halfback Chuck Swinden. Jack Wilcox's kick split the uprights and the Dons went out in front 7-0.

Augie Huesca and Walt Robinson exchanged interceptions in the second period, good for 38 and 30-yard touchdown runs. The half ended 14 to 7.

Giant end Larry Ross pulled down a 32-yard aerial from qb George Paoa in the third quarter to bring the score to 14-13, but Pualoa's attempted conversion was wide.

Linebacker Bob Griffith stole the ball from halfback Jim Haggerty with a little over six minutes left in the fourth period to score and put the game out of reach. Griffith and end Dan Berg hit Haggerty simultaneously on the Pasadena 13 where the ball squirted out of his hands.

WAA NEWS

Santa Ana College's WAA held its first meeting recently to welcome newcomers interested in the various activities of the organization.

Greeting the new members were Nancy Stevens, president; Kitty McMillan, vice-president; Selma Busdiecker, secretary-treasurer; Velma Busdiecker, historian; and Miss Isabelle Rellstab, faculty advisor.

Heading the sports program is basketball practice, which will be held on Mondays and Wednesdays at 3:00 p.m. Other sports in which the WAA will compete later in the season are volleyball, tennis, softball, and possibly hockey.

Activities to follow later in the year will be the Football Banquet, the Co-ed volleyball tournament, several parties, and the Women's Athletic Association banquet.

Santa Ana Whips Inyo-Kern 21-13

Santa Ana's onrushing Dons made it three in a row Friday, outclassing Inyo-Kern Navy 21 to 13 before a crowd of 2500 at China Lake.

Right half Harvey Bryan smashed over from the five to put the Dons out in front 6-0 after a 72-yard march that took only nine plays. A 38-yard gallop by Bryan and a 20-yard pass play, Smith to Duchart, set up the score. Jack Wilcox added the first of his three conversions.

Rockets Bounce Back

Inyo-Kern started on their own 38 and hit paydirt four plays later. Bill Henry romped 23 yards to the SAC 39-yard line. Chuck Dockray picked up 30 yards in two carries and Henry skirted end for the touchdown. The try for the extra point was wide.

SAC increased its lead to 14-6 in the second period. Augie Huesca surged over from the one after a sustained drive.

Dons Score

The black-shirted Dons struck for another score in the fourth quarter to widen the gap to 21-6. Bob Smith flipped 24 yards to fullback Bob Griffith who was brought down on the Navy 25. On the next play Smith connected with end Bert Kohnhorst on the goal line for the TD.

Inyo-Kern tallied the last touchdown on an Ed Smith to Dockray pass that covered eleven yards. Don Landers' kick made it 21 to 13.

Last Week's Football Scores

San Bernardino 7, Compton 7.
Riverside 12, San Diego 0.
Fullerton 20, Redlands 7.
Ventura 13, Mt. San Antonio 13.

DONS TANGLE WITH LONG BEACH CITY COLLEGE TOMORROW NIGHT

Coach Bill Cook's Dons will attempt to chalk up their fourth win in as many outings tomorrow night when they clash with Long Beach City College at Veteran's Memorial Stadium in Long Beach.

Tomorrow's tussle figures to be much closer than last year's 41-7 Viking triumph. Long Beach, with a return to the Little Rose Bowl in prospect showed the Dons no mercy. Santa Ana will be out for revenge and rates as an even choice.

Vikings Look Good

The Vikings looked good in their lid lifter with the powerful Alumni even though they were defeated 7 to 0. In itself that game means nothing since it was the third victory in a row for the grads and in 1950 the Norsemen won the National Junior College championship. Last season's squad bowed only to Pasadena.

In their first junior college fracas last Friday, the Vikings shellacked San Mateo, reputed to be a big power in the North, 39-13.

SAC holds a wide margin in the rivalry which dates back to 1928, having been beaten but twice in the eleven game series.

Football Schedule

Oct. 4—Long Beach CC there.

*Oct. 17—Mt. San Antonio there.

*Oct. 31—San Bernardino here.

*Nov. 7—Orange Coast here.

*Nov. 13—Chaffey here.

*Nov. 21—Riverside there.

*Nov. 27—Fullerton there.

Dec. 6—Mexico Poly there.

* Eastern Conference game.

Smith, Griffith Selected Dons Of The Week

Quarterback Bob Smith and fullback Bob Griffith have been chosen Dons of the Week for Pasadena and Inyo-Kern games respectively. The weekly popularity voting is conducted by Vandermast's Clothing Store.

Smith earned the honor playing the finest game of his career in leading the Dons to an upset win over the Bulldogs. The 165 pound sophomore from Orange is a business administration major.

An 18 year old 190-pound Griffith graduated from Laguna Beach high where he was a sports letterman. He is a sophomore and majoring in science. Griffith was selected the basis of his outstanding offensive and defensive play against the Navy.

Students are urged to vote for the Don they think deserves the award. Ballots can be obtained at all SAC football games at Vandermast's.
